A message from our Principal

Dear Parents and Carers,

The weather is definitely letting us know that autumn is here and winter is on its way. Please make sure your child has the appropriate clothes for this ever changing weather including a coat. The kids get the chance to get outside when there is a break in the rain, and some have discovered holes in their shoes, so some new ones might be needed.

Raffle and Mothers' Day Stall:

A great big thank you to all the families who sold and returned raffle tickets for the Mothers' Day raffle. There were a couple of families who have sold a couple of books. Thanks also goes to our three volunteers; Mark, Nichole and Tara for their help and support organising the Mothers' Day stall and Tara in particular for ordering and sorting all the amazing gifts that were for sale.

Student Attendance:

Student attendance is a high priority with the Department of Education this year (and every year). Children need to be at school by law and to ensure they achieve the best learning they can. They benefit from the social interaction with other kids and learning the rules around social behaviour. They learn self-confidence, self-control and resilience.

If your child needs to be away, please ring the school and let us know why so we can use the right code when informing the Department. We are here to support you and your child, so if you feel you are having difficulties getting him/her to school please ring and have a conversation with us. There are many supports and options available to help get kids into school. There are a number of families whose children have had a fair amount of time off school.

Illness:

There are a few snotty noses around so please make sure your child is well enough to engage with lessons while at school – if they are away just ring and let us know. Tired and cranky kids have trouble engaging when they are not feeling the best.

Please have a good week and if you have any questions or queries please ring the school.

Sonya

Mothers Day Raffle:

1st Prize: Mrs Della Gogoll

2nd Prize: Mrs Bernie Chinn

Thanks to those families and staff who supported our raffle,
we raised \$297.00.

WANTED FOR ART ROOM

Artificial flowers for an
activity with the senior
students.

If you have any that you would be
happy to donate, please send
them into school.

Thanks Julie

Swimming Program:

Our swimming program for this year will commence on Monday 31st May. We will be swimming everyday for 2 weeks, with all students expected to take part. We will be swimming between 12pm & 1.00pm.

If your child is unable to swim for any reason please contact the school, however they will be going to HILAC during this time to sit and watch, as the whole school will be attending this program.

Please make sure your child has the following items every day:-

- ◆ Bathers
- ◆ Rash Vest
- ◆ Towel x 2
- ◆ Goggles (if they require them)

If you have any questions please do not hesitate to contact the school.

We are learning about dinosaurs this term. Learning about dinosaurs is great.
