A message from our Principal

Dear Parents and Carers

The end of the term is here, and everyone is looking forward to some quiet rest and relaxation. There have been several students with coughs, colds, and tummy bugs, so hopefully this break will allow everyone the chance to regain their health and be ready to start again on July 12th.

School reports will be sent out this week. Even with the disruptions of remote

learning, most of the students have shown some good progress in their learning. Some students are having trouble with behaviours and demonstrating school values, but the holidays will be a great chance to reset thinking and start fresh next term.

Term three will be busy. We will organise student support group meetings early in the term, swimming will happen later in the term, there will be a netball tournament in August, and these are the activities we know about.

To finish off this term we will have a hot dog lunch for all students, who can wear footy colours to school for the day. There is no cost for the lunch, but a gold coin donation for footy colours would be welcome.

We have had a good term - the stadium floor has been completed, most of the kids have settled into learning. Unfortunately our senior camp was postponed, but hopefully state restrictions and student behaviours allow this to go ahead in term four.

Please enjoy the week, have a relaxing and enjoyable school holidays and we look forward to seeing everyone back with smiles on faces and happy mindsets in term three. Take care.

Sonya
