Our School Vision

Hamilton Parklands School's vision is to prepare young people to become active, engaged, and responsible citizens of the local communities.

We provide learning experiences that allow our students to reach their full potential, socially, emotionally, and academically.

At Hamilton Parklands School we provide a positive culture, which is a safe, inclusive and stimulating environment for all.

revised 08.03.22

Dear Parents and Carers,

Week three of the term and the students and staff are all busy getting excited about school camp next week.

Notes went home on Monday with the students and by email to all families to remind you that students need to be at school by 7.45 am on Wednesday 8th of May with all their gear ready to leave school at 8.00 am. They will also need morning tea and lunch on Wednesday.

All camp notes and any money still to pay must be returned by this Friday as we need to pay for some of the activities in advance.

School buses will still run as usual for those students NOT going on camp. The bus will run as usual on Friday afternoon to get all students not collected by parents home after camp.

Notes also went home this week for the SRC Spaghetti Bolognese lunch on Tuesday 14th of May. The students enjoy the chance to make special lunches for everyone and raise money for student activities. Please support the students in this project, and get your orders and money in before the deadline – May 7th.

Next week, Tuesday May 7th is our Mothers' Day afternoon tea, thank you to those mums who are coming to school to share afternoon tea with your child. I look forward to sharing a cuppa with those parents who are here.

This first few weeks are really busy, and the kids are starting to show signs of winter coughs and colds. If your child is starting to cough or snuffle, please keep them home so they are well for camp.

Please enjoy the rest of your week, and call if you have questions or concerns.

Sonya

General News:

Camp Forms and Information:

All forms and full payment must be received by the office by Friday 3rd May 2024 for your child to attend, as final numbers will be confirmed on this day.

Any questions or queries please do not hesitate to give the school a call.

The school will be collecting the plastic bread tags as a recycling project this year. Please read the flyer attached to the newsletter.

What can I do?

It is easy... save your bread tags for a while and then send them into school. Ask your friends and family etc to help as well.

The school will then send them to Robe SA and they will be recycled. All funds raised from this project will be used to supply wheelchairs in Africa.

MOTHERS DAY HIGH TEA

Tuesday 7th May 2024

in the Multipurpose Room

1.45pm

RSVP: As soon as possible.

Sick Students:

The cold and flu season is now upon us. We ask that any students who are unwell remain at home to rest and recover. It is very difficult for your child to concentrate and learn if they are sick, the best place for them is at home. This will help us to try and slow the spread of viruses around the school to other students and staff.

If your child arrives at school unwell or becomes unwell during the day, we will ring you to come and collect them.

Please note: If your child is unwell on camp you will be expected to come and collect them, so if they are not well prior to camp make sure they get plenty of rest, so they are recovered in time for camp.

Healthy Lunch boxes:

We encourage all students to have a healthy lunchbox as often as possible.

Please ensure your child brings a piece of fruit each day, and if possible we would like to limit the amount of pre-packaged snacks that contain lots of sugar, fats and preservatives, that seem to be creeping into lunchboxes.
