POLICY

1. School profile

Hamilton Parklands School was established in 1989 and is located in the southwest Victorian township of Hamilton. We are a small special school catering for students aged 5 years to 18 years old with intellectual disabilities and the associated physical disabilities supported by 10 school staff members.

Our school grounds are on the edge of town and close to native bushland, and we are surrounded by a supportive community. Most students that attend our school catch DET transport to and from school from a wide student transport area. Hamilton Parklands School has developed close ties to the local community, and enjoys support from our local shops and community services.

Our school is culturally diverse with 10% of families representing the Koorie Community. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Hamilton Parklands School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, responsibility and safety at every opportunity.

Our school's vision is to prepare young people to become active, engaged and responsible citizens of the local communities.
